"Today the world is competitive, more than it's ever been. I believe men and women need to get a type of education which will enable them to meet the exigencies of life ... Men and women need to be prepared for a vastly broader scope than we have ever had before".

*President Thomas S. Monson*

"Education becomes the key of opportunity for everyone in this life. It may involve sacrifice, it may involve unusual effort, but with the help of heaven, it can be had."

*Gordon B. Hinckley*

"The Lord has mandated that this people get all the education they can..."

*Gordon B. Hinckley*
